» Q4 2017 Cat Bond Market Report - Record 2017 issuance takes market to record size Q4 2017 saw catastrophe bond and ILS issuance reach \$1.92 billion, which is \$146 million above the ten-year average for the quarter.

with outstanding risk capital passing \$31 billion for the first time. Download the report here. » Reinsurance renewal coverage

The level of new catastrophe bonds issued in Q4 2017 was sufficient to take the market to new heights,

Read our reporting, insight and analysis of the January 2018 reinsurance renewals, when a large proportion of global reinsurance program terms are renewed and repriced. Reinsurance rates are slated to rise at 1/1, but pressure from the weight of reinsurance capital could remain a factor. Read our reinsurance renewal coverage here. » Artemis ILS Bermuda Executive Roundtable 2017

At our third annual Artemis ILS Bermuda Executive Roundtable participants discussed a mix of

Cat Bond

challenges and opportunities for the sector as it continues to expand its remit and push for growth, on the back of an extremely active loss year for sponsors and investors. Download the report here.
